

Karkonosze College in Jelenia Góra
Higher Education Institution
FACULTY OF NATURAL SCIENCES AND TECHNOLOGY
DIETETICS PROGRAMME

1st semester

No	Course name	Type/form of obtaining the credits	Cl. Hrs	EC TS
1	Ethics of the Dietician Profession	Lecture/graded test	15	1
1a	Ethics of the Dietician Profession	Practical classes/graded test	15	1
2	Foundations of Philosophy	Practical classes/graded test	15	1
3	Safety at Work and Ergonomics	Practical classes/graded test	15	1
4	Anatomy	Lecture/graded test	15	1
4a	Anatomy	Lab/graded test	30	2
5	Biological Medicine	Lecture/graded test	15	1
6	General Biochemistry	Lecture/ examination	15	1
7	Food Chemistry 1	Lecture/graded test	15	1
7a	Food Chemistry 1	Practical classes/graded test	15	1
7b	Food Chemistry 1	Lab/graded test	15	1
8	General and Food Microbiology	Lecture/ examination	15	1
8a	General and Food Microbiology	Lab/graded test	30	2
9	Ecology and Environmental Protection	Lecture/graded test	15	1
9a	Ecology and Environmental Protection	Practical classes/graded test	15	1
10	First Aid	Lecture/graded test	15	1
10a	First Aid	Lab/graded test	30	2
11	Human Nutrition 1	Lecture/graded test	15	1
11a	Human Nutrition 1	Practical classes/graded test	30	2
12	Technical Equipment	Practical classes/graded test	30	2
13	Hygiene, toxicology and food safety	Lecture/ examination	15	1
13a	Hygiene, toxicology and food safety	Practical classes/graded test	30	2
14	Physical Education 1	Practical classes/graded test	30	1
	Total ECTS points per semester			29

2nd semester

No	Course name	Type/form of obtaining the credits	Cl. Hrs	EC TS
1	Psychology	Lecture/graded test	15	1
2	Developmental Philosophy	Practical classes/graded test	15	1
3	Foundations of Sociology	Lecture/graded test	15	1
4	Human Physiology	Lecture/ examination	15	1
4a	Human Physiology	Practical classes/graded test	30	2
5	Food Biochemistry	Lecture/ examination	15	1
5a	Food Biochemistry	Practical classes/graded test	15	1
5b	Food Biochemistry	Lab/graded test	15	1
6	Food Chemistry 2	Practical classes/examination	15	1
6a	Food Chemistry 2	Lab/graded test	15	1
7	Human Nutrition 2	Lecture/ examination	15	1

7a	Human Nutrition 2	Practical classes/graded test	30	2
8	Outline of Clinical Diseases	Lecture/ graded test	15	1
8a	Outline of Clinical Diseases	Practical classes/graded test	30	2
9	Food and Nutrition Technology with Commodity Science	Lecture/graded test	15	1
9a	Food and Nutrition Technology with Commodity Science	Practical classes/graded test	30	2
10	Food and Nutrition Workshop	Lab/graded test	60	4
11	English/German/Russian 1	Practical classes/graded test	30	2
12	Physical Education 1	Practical classes/graded test	30	1
13	Computer Technology with ECDL	Practical classes/graded test	30	2
14	Introductory Practical Placement: in Kitchen and Food Department	80 hours/ graded test	80	2
	Total ECTS points per semester			31

3rd semester

No	Course name	Type/form of obtaining the credits	Cl. Hrs	EC TS
1	Introduction to Pedagogy	Lecture/graded test	30	2
1a	Introduction to Pedagogy	Practical classes/graded test	15	1
2	Social Communication Theory	Lecture/graded test	15	1
2a	Social Communication Theory	Practical classes/graded test	15	2
3	Parasitology	Lecture/graded test	15	1
3a	Parasitology	Lab/graded test	15	1
4	Outline of Clinical Diseases	Lecture/ examination	15	1
4a	Outline of Clinical Diseases	Practical classes/graded test	30	2
5	Farmacology with Food Pharmatherapy and Interactions of Pharmeceuticals with Food	Lecture/ examination	15	1
5a	Farmacology with Food Pharmatherapy and Interactions of Pharmeceuticals with Food	Practical classes/graded test	30	2
6	Clinical Dietetics 1	Lecture/ graded test	15	1
6a	Clinical Dietetics 1	Practical classes/graded test	30	2
7	Health promotion	Lecture/ graded test	15	1
7a	Health promotion	Practical classes/graded test	30	2
8	Food and Nutrition Technology with Commodity Science	Practical classes/ examination	30	2
9	Food and Nutrition Workshop	Lab/graded test	60	4
10	English/German/Russian 2	Practical classes/graded test	30	2
11	General University Elective Courses	Practical classes/graded test	30	2
12	Placement in a Social Care Institution	80 hours/ graded test	80	2
	Total ECTS points per semester			32

4th semester

No	Course name	Type/form of obtaining the credits	Cl. Hrs	EC TS
1	Pathology	Lecture/examination	15	1
1a	Pathology	Practical classes/graded test	15	1
2	Clinical Dietetics 2	Lecture/ examination	15	1

2a	Clinical Dietetics 2	Practical classes/graded test	30	2
3	Pediatric Dietetics	Lecture/graded test	15	1
3a	Pediatric Dietetics	Practical classes/graded test	15	1
4	Food Education	Lab/graded test	30	2
5	Food and Nutrition Workshop	Lab/graded test	60	4
6	Analysis and Assessment of Food Safety	Lecture/examination	15	1
6a	Analysis and Assessment of Food Safety	Practical classes/graded test	30	2
7	Legal and Economic Issues in Healthcare	Lecture/graded test	15	1
8	Work Management in a Dietician's Profession	Practical classes/graded test	30	2
9	English/German/Russian 3	Practical classes/graded test	30	2
10	General University Elective Courses	Practical classes/graded test	30	2
11	Practical Placement in a Health Care Institution in the field of diseases of the Digestive Tract/Metabolic Diseases (Part 1) and Internal Diseases Ward (Part 2)	Graded test/120 hours	120	3
12	Practical Placement in the field of Food Technology	Graded test/80 hours	80	2
	Total ECTS points per semester			28

5th semester

No	Course name	Type/form of obtaining the credits	Cl. Hrs	EC TS
1	Foundations of Intellectual Property	Lecture/graded test	15	1
2	Genetics	Lecture/graded test	15	1
2a	Genetics	Practical classes/graded test	15	1
3	Pediatric Dietetics	Lecture/examination	15	3
3a	Pediatric Dietetics	Practical classes/graded test	15	2
4	Methodology of Scientific Research	Practical classes/graded test	15	1
5	BA –Diploma Paper Seminar	Practical classes/graded test	15	1
6	English/German/Russian 4	Practical classes/graded test	30	2
7	Foundations of Statistics/Foundations of Biostatistics	Lecture/graded test	15	1
7a	Foundations of Statistics/Foundations of Biostatistics	Practical classes/graded test	15	2
8	Public Health/Prevention of Food Disorders in Children	Lecture/graded test	15	1
8a	Public Health/Prevention of Food Disorders in Children	Practical classes/graded test	15	2
9	Pro-health Nutrition/Medicinal Plants in Nutrition Therapy	Practical classes/graded test	15	1
10	Enteral and Parenteral Nutrition/Genetically Modified Food	Lecture/graded test	15	1
11	Foundations of Immunology/Food Allergies	Lecture/graded test	30	2
12	Civilization Diseases/Foundations of Geriatrics	Lecture/graded test	15	1
13	Hospital Infections/ Psychological Health Promotion	Practical classes/graded test		
14	Elective Course – general university courses(PL)	Practical classes/graded test	15	1
15	Practical Placement in Child Nutrition	Graded test/120 hours	120	3
	Total ECTS points per semester			29

6th semester

No	Course name	Type/form of obtaining the credits	Cl. Hrs	EC TS
1	Sign Language in Dietetics	Lab/graded test	45	3
2	BA Diploma Paper Seminar	Practical classes/graded test	30	2
3	Diploma Paper			10
4	Dietetics in Sport/Nutrition of Elderly People	Lecture/graded test	15	1
4a	Dietetics in Sport/Nutrition of Elderly People	Practical classes/graded test	15	2
5	Foundations of Endocrinology/Metabolic Diseases	Lecture/graded test	15	1
5a	Foundations of Endocrinology/Metabolic Diseases	Practical classes/graded test	15	2
6	Foundations of Psychodietetics/Clinical Psychology	Lecture/graded test	15	1
6a	Foundations of Psychodietetics/Clinical Psychology	Practical classes/graded test	30	2
7	Elective Course – general university courses(PL)	Practical classes/graded test	45	3
8	Practical Placement in a Hospital for Adults (Nutrition Ward/General Kitchen/Nutrition Department)	Graded test/160 hours		4
	Total ECTS points per semester			31
